

2019 OFFICIAL ENTRY FORM

Contest Rules

- One (1) image per person may be submitted.
- Images from any mode of microscopy can be used, and any form of colorization, manipulation and compositing is completely acceptable. Be creative, go nuts!
- The image must be in digital format, with uncompressed or lossless compressed tiff files preferred.
- Pixel resolution of the image should be 1024 x 1024 or higher.
- Images must not have been previously published.
- Images must be submitted by 5:00 PM September 27th, 2019.
- Contest entries will be judged by attendees of the Iowa Microscopy Society Fall Symposium on October 2nd, 2019, with the winners to be announced at the conclusion of the meeting.
- **Note: Contest participants should be present at the 2:30 announcement of contest winners to claim a prize. If you cannot be there, please try to have a proxy attend for you.**
- By submitting images to this contest the artist grants permission for the images to be used by the CMRF and the University of Iowa for outreach, marketing and promotional purposes.
